SIR,

A With reference to Government Order No R 11776/M1 195-20-2 dated 23rd April 1921 approving of the proposal of the City Municipal Council to abolish the levy of Octroi on Sheep and Goats and to increase the rate of slaughtering fee from 2½ annas to 4 annas a head etc I have the honour to state that necessary amendments to Rule No 31 of the Bye-laws for regulating the working of Slaughter houses in the Mysore City sanctioned in Government Proceedings No 2265/M1 69-13-100 dated 31st August 1914 and the schedule of taxes published on page 205 of the Mysore Municipal Regulation now in force were framed and published in the Mysore Gazette dated 9th June 1921 together with notices inviting objections and suggestions from the public as per Section 48 (2) of the Municipal Regulation The only objection received in the Office on 6th July 1921 from local butchers was duly considered at the meeting of the Municipal Council held on the 30th July 1921 The objection is that the proposed change will result in loss to Municipality and to the butchers as a large proportion of sheep imported into the City will be slaughtered outside and not brought to the

slaughter house As slaughtering of sheep and goats by private persons is not permitted under the bye-laws outside the slaughter house except on special occasions the objection was considered invalid

2 Copies of the draft amendments and notices published, of the Resolution of the Municipal Council and of the objection received are herewith submitted for the information of Government

3 I request that you may be so good as to submit the same to Government and obtain their early sanction thereto

I have the honour to be,
